

### 2009/2010 Academic Fees

Pacific Rim College reserves the right to change fees at any time. Although prior notice of fee changes is not necessary, whenever possible the College will publish all fee changes previous to the date the new fees take effect.

| IDENTIFICATION CARD REPLACEMENT      | \$20  |
| STUDENT RECORD ARCHIVING FEE         | \$3.50/semester   |

---

## Explanation of Fees

### Application Fee

This non-refundable fee of \$75 is charged to all applicants and due at the time of application submission.

### Enrolment Deposit

All successful applicants who intend to matriculate must submit a non-refundable fee of \$200, which is credited to tuition fees at the time of enrolment. Should a student decide not to enroll for the specific semester of study as stated in the application, the fee is forfeited and cannot be used to offset any charges that the student may incur. To reserve their place in the entering class, all successful applicants must submit the deposit within 60 days of the program start, or immediately if accepted less than 60 days from the program start.

### Transfer Credit

A student who applies for credit transfer from another accredited institution will be charged a transfer credit fee of \$15/course credit that is evaluated and accepted. Transfer credit fees are due at the time of approval.

A student who applies for credit transfer from another recognized North American program of Acupuncture & Oriental Medicine will be charged a one-time transfer credit fee of \$150 for all course credit (10 credits or more) that is evaluated and accepted. Transfer credit fees are due at the time of approval.

### Photocopy

Any student who chooses to use the college's photocopying services will be charged per page copying fee of 10 cents at the time services are rendered. The student body does maintain its own printer and photocopier that are free to students.

### Exam Rewrite/Reschedule

Any student who reschedules an examination or, based on eligibility, chooses to rewrite an examination, is subject to a fee of \$100. This fee is due before a student may write the exam in question.

### Official Transcript

An official transcript fee of \$10 is due at the time a student requests a transcript. Additional transcripts are subject to the same fee. No transcripts will be provided until all accounts are paid in full.

### Examination Challenge

A student who chooses to challenge a course by Examination Challenge (CE) must first pay a \$100 non-refundable fee before challenging the examination materials. To receive credit for a successful examination challenge, the student must pay an additional \$30/course credit. CE credit fees are due within 30 days of the examination challenge or before the end of the semester, whichever happens first.

### Clinical Supplies

All students will be charged a clinical supply fee in order to cover clinic material costs (e.g. linens, moxa, oils) and hazardous waste disposal. This fee is added to student tuition and due at time of tuition payment.

### Course Supplies

Course supply fees are applied to courses in which the school provides students with a sizeable amount of non-reusable supplies. This fee is added to student tuition and due at time of tuition payment.

### Student Activity Fee

Each student enrolled in any diploma program and the following certificate programs (Hellerwork Training Program, Natural Health Program, and Community Herbalist Program) at PRC pays a Student Activity Fee of \$25/semester. A small part of this fee ensures students free access to the student computers and printer/photocopier. The student body determines the expenditure of the remainder of the Student Activity Fee via an online ballot system based on majority vote.

### Finance Charge/Tuition Late Payment

A 1.5% finance charge will be charged monthly to all accounts past due.

### Identification Card Replacement

A fee of \$20 is charged for the replacement of all lost or stolen identification cards. The fee is due upon issuance of a new ID card.

### Student Record Archiving Fee

A fee of \$3.50/semester is applied to each student for both on-site and off-site student record storage.
