

ADJUSTABLE ROLLING STOOL

Adjustable Rolling Stool
by SpaMaster Essentials™
Item # 91552

Stability and comfort is why Therapists love this treatment Stool. The seat is wider than many others (15" wide) and the foam is thicker (4"). The pneumatic post mounting plate under the seat is twice as large as cheaper models to make for stability and long life. The seat is "vented" for proper "feel" and upholstered with rugged anti-bacterial and ecologically safe 100% PU reinforced backed material. A convenient chrome plated towel bar/grab bar is preinstalled.
